# Introduction

The Hanford Employee Welfare Trust (HEWT) is pleased to provide you with this Summary Plan Description (SPD) which describes your Benefits, as well as your rights and responsibilities, under the Plan.

You and your dependents are eligible for this plan if you are an Eligible Person as defined in Section 10: Glossary of Defined Terms, and you are employed by a Sponsoring Employer listed in Attachment II.

This document describes Benefits for two plans:

1. The ***HEWT Options Medical Plan for Active Employees*** - applies to all enrolled active employees (and their Eligible Dependents) whose homes are located in an area in which UnitedHealthcare network providers are available.
2. The ***HEWT Out-of-Area Medical Plan for Active Employees*** - applies ONLY to active employees (and their dependents) whose homes are NOT located in an areas in which UnitedHealthcare network providers are available. This plan will apply only rare circumstances because the UnitedHealthcare PPO network covers a majority of the United States. UnitedHealthcare can confirm whether this plan applies to you.

## How to Use This Document

We encourage you to read this SPD and all attached Riders and Amendments carefully. Many of the sections relate to other sections of the document. You may not have all of the information you need by reading just one section. We especially encourage you to review Section 1: What's Covered – Benefits, Section 2: What's Not Covered – Exclusions, and Section 9: General Legal Provisions.

Keep this SPD and other documents related to your Medical Plan in a safe place for future reference.

Please be aware that your Physician does not have a copy of this SPD, and he or she is not responsible for knowing or communicating your Benefits.

## Information About Defined Terms

Because this SPD is a legal document, we want to give you information that will help you better understand it. Certain capitalized words have special meanings. We have defined these words in Section 10: Glossary of Defined Terms. Refer to this section as you read the document to have a better understanding of the SPD and of your Plan.

The words “we,” “us,” and “our” in this document refer to the ***Plan Administrator*** which is the Hanford Employee Welfare Trust (HEWT). The words “you” and “your” refer to Employees and Dependents who are Covered Persons as the term is defined in Section 10: Glossary of Defined Terms.

## Your Contribution Towards Plan Costs

The Plan requires Employees to contribute towards the cost of the coverage. Contact the Plan Administrator or your employer for

# Section 1: What's Covered--Benefits

This section provides you with information about:

- Accessing Benefits.
- Copayments and Eligible Expenses.
- Annual Deductible, Out-of-Pocket Maximum and Maximum Plan Benefit.
- Covered Health Services. We pay Benefits for the Covered Health Services described in this section unless they are listed as not covered in Section 2: What's Not Covered--Exclusions.
- Covered Health Services that require you to notify Care Coordination<sup>SM</sup> before you receive them.

## Accessing Benefits

Under the Options PPO Plan, you can choose to receive either PPO Network Benefits or PPO Non-Network Benefits. To obtain PPO Network Benefits you must see a Network Physician or other Network provider.

Under the Out-of-Area Plan, you can choose to receive Benefits from any Physician or provider. Depending on the geographic area, you may have access to Network providers. These providers have agreed to discount their charges for Covered Health Services. If you receive Covered Health Services from a Network provider, your

*To continue reading, go to right column on this page.*

Copayment level will remain the same. However, the portion that you owe may be less than if you received services from a non-Network provider because the Eligible Expense may be a lesser amount.

For the PPO Plan, you must show your identification card (ID card) every time you request health care services from a Network provider. If you do not show your ID card, Network providers have no way of knowing that you are enrolled under the Plan. As a result, they may bill you for the entire cost of the services you receive.

For the Out-of-Area Plan, you should show your identification card (ID card) every time you request health care services so that the provider will know that you are enrolled under the Plan.

Benefits are available only if all of the following are true:

- Covered Health Services are received while the Plan is in effect.
- Covered Health Services are received prior to the date that any of the individual termination conditions listed in Section 8: When Coverage Ends occurs.
- The person who receives Covered Health Services is a Covered Person and meets all eligibility requirements specified in the Plan.

## Copayment/Coinsurance

Copayment is the amount you pay each time you receive certain Covered Health Services. For a complete definition of Copayment, see Section 10: Glossary of Defined Terms. Copayment amounts are listed on the following pages next to the description for each Covered Health Service. Please note that when Copayments are calculated as a percentage (rather than as a set dollar amount) the percentage is based on Eligible Expenses.

*To continue reading, go to left column on next page.*

## Eligible Expenses

Eligible Expenses are the amount that we will pay for Benefits as determined by us or by our designee. In almost all cases our designee is the Claims Administrator. For a complete definition of Eligible Expenses that describes how payment is determined, see Section 10: Glossary of Defined Terms.

We have delegated to the Claims Administrator the discretion and authority to initially determine on our behalf whether a treatment or supply is a Covered Health Service and how the Eligible Expense will be determined and otherwise covered under the Plan.

For PPO Network Benefits, you are not responsible for any difference between the Eligible Expenses and the amount the provider bills, unless you agreed to reimburse the provider for such services. For PPO Non-Network Benefits, you are responsible for paying, directly to the non-Network provider, any difference between the amount the provider bills you and the amount we will pay for Eligible Expenses.

## Notification Requirements

Prior notification is required before you receive certain Covered Health Services. You are responsible for notifying Care Coordination<sup>SM</sup> before you receive these Covered Health Services.

For Mental Health/Substance Abuse Services you are responsible for notifying the Mental Health/Substance Abuse Designee.

Services for which you must provide prior notification appear in this section under the *Must You Notify Care Coordination<sup>SM</sup>?* column in the table labeled *Benefit Information*.

To notify Care Coordination<sup>SM</sup> or the Mental Health/Substance Abuse Designee, call the toll free telephone number shown on your ID card, 1-866-249-7606, for Claims Administration.

We urge you to confirm with Care Coordination<sup>SM</sup> that the services you plan to receive are Covered Health Services, even if not indicated in the *Must You Notify Care Coordination<sup>SM</sup>?* column. That's because in some instances, certain procedures may not meet the definition of a Covered Health Service and therefore are excluded. In other instances, the same procedure may meet the definition of Covered Health Services. By calling the toll free telephone number shown on your ID card, 1-866-249-7606, before you receive treatment, you can check to see if the service is subject to limitations or exclusions such as:

- The Cosmetic Procedures exclusion. Examples of procedures that may or may not be considered Cosmetic include: breast reduction and reconstruction (except for after cancer surgery when it is always considered a Covered Health Service); vein stripping, ligation and sclerotherapy, and upper lid blepharoplasty.
- The Experimental or Investigational Services or Unproven Services exclusion.
- Any other limitation or exclusion of the Plan.

### ***Special Note Regarding Medicare***

If you are enrolled for Medicare on a primary basis (Medicare pays before we pay Benefits under the Plan), the notification requirements described in this SPD do not apply to you. Since Medicare is the primary payer, we will pay as secondary payer as described in Section 7: Coordination of Benefits. You are not required to notify Care Coordination<sup>SM</sup> before receiving Covered Health Services when Medicare is the primary payer.

## Section 2: What's Not Covered-- Exclusions

This section contains information about:

- How headings are used in this section.
- Medical services that are not covered. We call these Exclusions. It's important for you to know what services and supplies are not covered under the Plan.

### How We Use Headings in this Section

To help you find specific exclusions more easily, we use headings. The headings group services, treatments, items, or supplies that fall into a similar category. ## Section 3: Obtaining Benefits

This section includes information about:

- Benefits for Covered Health Services.
- Your responsibility for notification.
- Emergency Health Services.

### Benefits for Covered Health Services

For the PPO Plan, Network Benefits are generally paid at a higher level than Non-Network Benefits. Network Benefits are payable for Covered Health Services which are any of the following:

- Provided by a Network Physician or other Network provider.
- Emergency Health Services.
- Covered Health Services that are described as Network Benefits in Section 1: What's Covered--Benefits.

Please note that Mental Health and Substance Abuse Services must be authorized by the Mental Health/Substance Abuse Designee. Please see Section 1: What's Covered--Benefits under the heading for *Mental Health and Substance Abuse*.

The following compares Network and Non-Network Benefits.

### *Comparison of Network and Non-Network Benefits*

	Network	Non-Network
<b>Benefits</b>	A higher level of Benefits means less cost to you. See Section 1: What's Covered--Benefits.	A lower level of Benefits means more cost to you. See Section 1: What's Covered--Benefits.
<b>Who Should Notify Care Coordination<sup>SM</sup></b>	Notify <i>Care Coordination<sup>SM</sup></i> for certain Covered Health Services. Failure to notify will result in reduced Benefits or no Benefits. See <i>Must You Notify Care Coordination<sup>SM</sup>?</i> column in Section 1.	
<b>Who Should File Claims</b>	Not required. The Claims Administrator pays Network providers directly.	You must file claims. See Section 5: How to File a Claim.
<b>Outpatient Emergency Health Services</b>	Emergency Health Services are always paid as a Network Benefit and are paid the same whether you are in- or out of the Network. That means that if you seek Emergency care at a non-Network facility, you are not required to meet the Annual Deductible or pay any difference between Eligible Expenses and the amount billed by the provider.	

*To continue reading, go to right column on this page.*

*To continue reading, go to left column on next page.*

### ***If you are in the Out-of-Area Plan:***

Benefits are payable for Covered Health Services that are provided by or under the direction of a Physician or other provider and are generally paid at the in-network benefit level even if the provider is not in the network.

Whenever possible, however, you are encouraged to use in-network providers. The cost of such services will be lower than for out-of-network providers. Therefore, your co-payment, which is a percentage of covered (eligible) charges, will be lower as well.

### ***Provider Network***

The Claims Administrator or its affiliate arranges for health care providers to participate in a Network. Network providers are independent practitioners. They are not our employees or employees of the Claims Administrator. It is your responsibility to select your provider.

The credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided.

Separately, you will automatically be given a directory of Network providers at no cost to you. However, before obtaining services you should always verify the Network status of a provider. A provider's status may change. You can verify the provider's status by calling the Claims Administrator.

It is possible that you might not be able to obtain services from a particular Network provider. The network of providers is subject to change. Or you might find that a particular Network provider may not be accepting new patients. If a provider leaves the Network or is otherwise not available to you, you must choose another Network provider to get PPO Network Benefits.

*To continue reading, go to right column on this page.*

Do not assume that a Network provider's agreement includes all Covered Health Services. Some Network providers agree to provide only certain Covered Health Services, but not all Covered Health Services. Some Network providers choose to be a Network provider for only some products. Refer to your provider directory or contact the Claims Administrator for assistance.

### ***Designated United Resource Network Facilities and Other Providers***

If you have a medical condition that Care Coordination<sup>SM</sup> believes needs special services, they may direct you to a Designated United Resource Network Facility or other provider chosen by them. If you require certain complex Covered Health Services for which expertise is limited, Care Coordination<sup>SM</sup> may direct you to a non-Network facility or provider.

In both cases, Benefits will only be paid if your Covered Health Services for that condition are provided by or arranged by the Designated United Resource Network Facility or other provider chosen by Care Coordination<sup>SM</sup>.

### ***PPO Non-Network Benefits***

PPO Non-Network Benefits are generally paid at a lower level than PPO Network Benefits. PPO Non-Network Benefits are payable for Covered Health Services that are provided by non-Network Physicians or non-Network providers. PPO Non-Network Benefits are also payable for Covered Health Services that are provided at non-Network facilities.

*To continue reading, go to left column on next page.*

## Your Responsibility for Notification

You must notify Care Coordination<sup>SM</sup> before getting certain Covered Health Services from Network, non-Network and Out-of-Area providers. The details are shown in the *Must You Notify Care Coordination<sup>SM</sup>?* column in Section 1: What's Covered--Benefits. If you fail to notify Care Coordination<sup>SM</sup>, Benefits are reduced or denied.

Prior notification does not mean Benefits are payable in all cases. Coverage depends on the Covered Health Services that are actually given, your eligibility status, and any benefit limitations.

### **Care Coordination<sup>SM</sup>**

When you notify Care Coordination<sup>SM</sup> as described above, they will work with you to implement the Care Coordination<sup>SM</sup> process and to provide you with information about additional services that are available to you, such as disease management programs, health education, pre-admission counseling and patient advocacy.

## PPO Plan and Out-of-Area Emergency Health Services

We provide Benefits for Emergency Health Services when required for stabilization and initiation of treatment as provided by or under the direction of a Physician.

PPO Network Benefits are paid for Emergency Health Services, even if the services are provided by a non-Network provider.

- If you are confined in a non-Network Hospital after you receive Emergency Health Services, Care Coordination<sup>SM</sup> must be notified within two business days or on the same day of admission if reasonably possible. Care Coordination<sup>SM</sup> may elect to transfer you to a Network Hospital as soon as it is medically

*To continue reading, go to right column on this page.*

appropriate to do so. If you choose to stay in the non-Network Hospital after the date Care Coordination<sup>SM</sup> decides a transfer is medically appropriate, PPO Non-Network Benefits may be available if the continued stay is determined to be a Covered Health Service.

- If you are admitted as an inpatient to a Network Hospital within 24 hours of receiving treatment for the same condition as an Emergency Health Service, you will not have to pay the Copayment for Emergency Health Services. The Copayment for an Inpatient Stay in a Network Hospital will apply instead.

**Note:** Please note that the Copayment for Emergency Health Services will not be waived if you have been placed in an observation bed for the purpose of monitoring your condition, rather than being admitted as an inpatient in the Hospital. In this case, the Emergency Copayment will apply instead of the Copayment for an Inpatient Stay.

- How to enroll.

### How to Enroll

We will not provide Benefits for health services that you receive before your effective date of coverage.

### If You Are Hospitalized When Your Coverage Begins

If you are an inpatient in a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility on the day your coverage begins, we will pay Benefits for Covered Health Services related to that

Inpatient Stay as long as you receive Covered Health Services in accordance with the terms of the Plan.

You should notify the Claims Administrator within 48 hours of the day your coverage begins, or as soon as is reasonably possible. PPO Network Benefits are available only if you receive Covered Health Services from Network Providers.

### If You Are Eligible for Medicare

Your Benefits under the Plan may be reduced if you are eligible for Medicare but do not enroll in and maintain coverage under both Medicare Part A and Part B.

Your Benefits under the Plan may also be reduced if you are enrolled in a Medicare+Choice (Medicare Part C) plan but fail to follow the rules of that plan. Please see *Medicare Eligibility* in Section 9: General Legal Provisions for more information about how Medicare may affect your Benefits.

## Section 5: How to File a Claim

This section provides you with information about:

- How and when to file a claim.
- If you receive Covered Health Services from a Network provider, you do not have to file a claim. We pay these providers directly.
- If you receive Covered Health Services from a non-Network provider, you are responsible for filing a claim.

### If You Receive Covered Health Services from a Network Provider

We pay Network providers directly for your Covered Health Services. If a Network provider bills you for any Covered Health Service, contact the Claims Administrator. However, you are responsible for meeting the Annual Deductible and for paying Copayments to a Network provider at the time of service, or when you receive a bill from the provider.

### Filing a Claim for Benefits

When you receive Covered Health Services from a non-Network provider, you are responsible for requesting payment from us through the Claims Administrator. You must file the claim in a

format that contains all of the information required, as described below.

You must submit a request for payment of Benefits within one year after the date of service. If a non-Network provider submits a claim on your behalf, you will be responsible for the timeliness of the submission. If you don't provide this information to us within one year of the date of service, Benefits for that health service will be denied or reduced, in our or the Claims Administrator's discretion. This time limit does not apply if you are legally incapacitated. If your claim relates to an Inpatient Stay, the date of service is the date your Inpatient Stay ends.

If an Employee provides written authorization to allow direct payment to a provider, all or a portion of any Eligible Expenses due to a provider may be paid directly to the provider instead of being paid to the Employee. We will not reimburse third parties who have purchased or been assigned benefits by Physicians or other providers.

### ***Required Information***

When you request payment of Benefits from us, you must provide us with all of the following information:

- A. Employee's name and address.
- B. The patient's name, age and relationship to the Employee.
- C. The member number stated on your ID card.
- D. An itemized bill from your provider that includes the following:
  - Patient Diagnosis
  - Date(s) of service
  - Procedure Code(s) and descriptions of service(s) rendered
  - Charge for each service rendered

*To continue reading, go to right column on this page.*

*To continue reading, go to left column on next page.*

- Provider of service Name, Address and Tax Identification Number
- E. The date the Injury or Sickness began.
- F. A statement indicating either that you are, or you are not, enrolled for coverage under any other health insurance plan or program. If you are enrolled for other coverage you must include the name of the other carrier(s).

### ***Payment of Benefits***

Through the Claims Administrator, we will make a benefit determination as set forth below. Benefits will be paid to you unless either of the following is true:

- A. The provider notifies the Claims Administrator that your signature is on file, assigning benefits directly to that provider.
- B. You make a written request for the non-Network provider to be paid directly at the time you submit your claim.

### ***Benefit Determinations***

#### ***Post-Service Claims***

Post-Service Claims are those claims that are filed for payment of benefits after medical care has been received. If your post-service claim is denied, you will receive a written notice from the Claims Administrator within 30 days of receipt of the claim, as long as all needed information was provided with the claim. The Claims Administrator will notify you within this 30 day period if additional information is needed to process the claim, and may request a one time extension not longer than 15 days and pend your claim until all information is received.

Once notified of the extension you then have 45 days to provide this information. If all of the needed information is received within the 45 day time frame and the claim is denied, the Claims Administrator

*To continue reading, go to right column on this page.*

will notify you of the denial within 15 days after the information is received. If you don't provide the needed information within the 45 day period, your claim will be denied.

A denial notice will explain the reason for denial, refer to the part of the Plan on which the denial is based, and provide the claim appeal procedures.

#### ***Pre-Service Claims***

Pre-service claims are those claims that require notification or approval prior to receiving medical care. If your claim was a pre-service claim, and was submitted properly with all needed information, you will receive written notice of the claim decision from the Claims Administrator within 15 days of receipt of the claim. If you filed a pre-service claim improperly, the Claims Administrator will notify you of the improper filing and how to correct it within 5 days after the pre-service claim was received. If additional information is needed to process the pre-service claim, the Claims Administrator will notify you of the information needed within 15 days after the claim was received, and may request a one time extension not longer than 15 days and pend your claim until all information is received. Once notified of the extension you then have 45 days to provide this information. If all of the needed information is received within the 45 day time frame, the Claims Administrator will notify you of the determination within 15 days after the information is received. If you don't provide the needed information within the 45 days period, your claim will be denied. A denial notice will explain the reason for denial, refer to the part of the Plan on which the denial is based, and provide the claim appeal procedures.

### ***Urgent Claims that Require Immediate Action***

Urgent Care Claims are those claims that require notification or approval prior to receiving medical care, where a delay in treatment could seriously jeopardize your life or health or the ability to regain maximum function or, in the opinion of a physician with knowledge of your medical condition could cause severe pain. In these situations:

- You will receive notice of the benefit determination in writing or electronically within 72-hours after the Claims Administrator receives all necessary information, taking into account the seriousness of your condition.
- Notice of denial may be oral with a written or electronic confirmation to follow within 3 days.

If you filed an urgent claim improperly, the Claims Administrator will notify you of the improper filing and how to correct it within 24 hours after the urgent claim was received. If additional information is needed to process the claim, the Claims Administrator will notify you of the information needed within 24 hours after the claim was received. You then have 48 hours to provide the requested information.

You will be notified of a determination no later than 48 hours after:

- The Claims Administrator's receipt of the requested information; or
- The end of the 48 hour period within which you were to provide the additional information, if the information is not received within that time.

A denial notice will explain the reason for denial, refer to the part of the Plan on which the denial is based, and provide the claim appeal procedures.

*To continue reading, go to right column on this page.*

### ***Concurrent Care Claims***

If an on-going course of treatment was previously approved for a specific period of time or number of treatments, and your request to extend the treatment is an Urgent Care Claim as defined above, your request will be decided within 24 hours, provided your request is made at least 24 hours prior to the end of the approved treatment. The Claims Administrator will make a determination on your request for the extended treatment within 24 hours from receipt of your request.

If your request for extended treatment is not made at least 24 hours prior to the end of the approved treatment, the request will be treated as an Urgent Care Claim and decided according to the timeframes described above. If an on-going course of treatment was previously approved for a specific period of time or number of treatments, and you request to extend treatment in a non-urgent circumstance, your request will be considered a new claim and decided according to post-service or pre-service timeframes, whichever applies.

## Section 6: Questions and Appeals

This section provides you with information to help you with the following:

- You have a question or concern about Covered Health Services or your Benefits.
- You are notified that a claim has been denied because it has been determined that a service or supply is excluded under the Plan and you wish to appeal such determination.

To resolve a question or appeal, just follow these steps:

### What to Do First

If your question or concern is about a benefit determination, you may informally contact Customer Service before requesting a formal appeal. If the Customer Service representative cannot resolve the issue to your satisfaction over the phone, you may submit your question in writing. However, if you are not satisfied with a benefit determination as described in How to File a Claim you may appeal it as described below, without first informally contacting Customer Service. If you first informally contact Customer Service and later wish to request a formal appeal in writing, you should contact Customer Service and request an appeal. If you request a formal appeal, a Customer Service representative will provide you with the appropriate address of the Claims Administrator.

*To continue reading, go to right column on this page.*

If you are appealing an Urgent Care Claim denial, please refer to the "Urgent Claim Appeals that Require Immediate Action" section below and contact Customer Service immediately.

The Customer Service toll free telephone number, 1-866-249-7606, shown on your ID card. Customer Service representatives are available to take your call during regular business hours, Monday through Friday.

### How to Appeal a Claim Decision

If you disagree with a pre-service or post-service claim determination after following the above steps, you can contact the Claims Administrator in writing to formally request an appeal. Your request should include:

- The patient's name and the identification number from the ID card.
- The date(s) of medical service(s).
- The provider's name.
- The reason you believe the claim should be paid.
- Any documentation or other written information to support your request for claim payment.

Your first appeal request must be submitted to the Claims Administrator within 180 days after you receive the claim denial.

### Appeal Process

A qualified individual who was not involved in the decision being appealed will be appointed to decide the appeal. If your appeal is related to clinical matters, the review will be done in consultation with a health care professional with appropriate expertise in the field who was not involved in the prior determination. The Claims

Administrator (first level appeals) and the Plan Administrator (second level appeals) may consult with, or seek the participation of, medical experts as part of the appeal resolution process. You consent to this referral and the sharing of pertinent medical claim information. Upon request and free of charge you have the right to reasonable access to and copies of, all documents, records, and other information relevant to your claim for benefits.

## Appeals Determinations

### Pre-Service and Post-Service Claim Appeals

You will be provided written or electronic notification of decision on your appeal as follows:

For appeals of pre-service claims as defined in How to File a Claim, the first level appeal will be conducted and you will be notified by the Claims Administrator of the decision within 15 days from receipt of a request for appeal of a denied claim. The second level appeal will be conducted and you will be notified by us of the decision within 15 days from receipt of a request for review of the first level appeal decision.

For appeals of post-service claims as defined in How to File a Claim, the first level appeal will be conducted and you will be notified by the Claims Administrator of the decision within 30 days from receipt of a request for appeal of a denied claim. The second level appeal will be conducted and you will be notified by us of the decision within 30 days from receipt of a request for review of the first level appeal decision.

For procedures associated with urgent claims, see "Urgent Claim Appeals that Require Immediate Action" below.

If you are not satisfied with the first level appeal decision of the Claims Administrator, you have the right to request a second level

appeal from us as the Plan Administrator. Your second level appeal request must be submitted to us in writing within 60 days from receipt of the first level appeal decision.

The Plan Administrator has the exclusive right to interpret and administer the Plan, and these decisions are conclusive and binding.

Please note that our decision is based only on whether or not Benefits are available under the Plan for the proposed treatment or procedure. The determination as to whether the pending health service is necessary or appropriate is between you and your Physician.

## Urgent Claim Appeals that Require Immediate Action

Your appeal may require immediate action if a delay in treatment could significantly increase the risk to your health or the ability to regain maximum function or cause severe pain. In these urgent situations:

- The appeal does not need to be submitted in writing. You or your Physician should call the Claims Administrator as soon as possible. The Claims Administrator will provide you with a written or electronic determination within 72 hours following receipt by the Claims Administrator of your request for review of the determination taking into account the seriousness of your condition.

For urgent claim appeals, we have delegated to the Claims Administrator the exclusive right to interpret and administer the provisions of the Plan. The Claims Administrator's decisions are conclusive and binding.

## Voluntary External Review Program

If a final determination to deny Benefits is made, you may choose to participate in our voluntary external review program. This program only applies if the decision is based on either of the following:

- Clinical reasons.
- The exclusion for Experimental, Investigational or Unproven Services.

The external review program is not available if the coverage determinations are based on explicit Benefit exclusions or defined Benefit limits.

Contact the Claims Administrator at the toll free telephone number, 1-866-249-7606, shown on your ID card for more information on the voluntary external review program.

## Section 7: Coordination of Benefits

This section provides you with information about:

- What you need to know when you have coverage under more than one plan.
- Definitions specific to Coordination of Benefit rules.
- Order of payment rules.

### Benefits When You Have Coverage under More than One Plan

This section describes how Benefits under the Plan will be coordinated with those of any other plan that provides Benefits to you. The language in this section is from model laws drafted by the National Association of Insurance Commissioners (NAIC) and represents standard industry practice for coordinating Benefits.

### When Coordination of Benefits Applies

This coordination of benefits (COB) provision applies when a person has health care coverage under more than one benefit plan.

The order of benefit determination rules described in this section determine which Coverage Plan will pay as the Primary Coverage Plan. The Primary Coverage Plan that pays first pays without regard to the possibility that another Coverage Plan may cover some

*To continue reading, go to right column on this page.*

expenses. A Secondary Coverage Plan pays after the Primary Coverage Plan and may reduce the Benefits it pays. This is to prevent payments from all group Coverage Plans from exceeding 100% of the total Allowable Expense.

### Definitions

For purposes of this section, terms are defined as follows:

1. "Coverage Plan" is any of the following that provides Benefits or services for medical or dental care or treatment. However, if separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same Coverage Plan and there is no COB among those separate contracts.
  - a. "Coverage Plan" includes: group insurance, closed panel or other forms of group or group-type coverage (whether insured or uninsured); medical care components of group long-term care contracts, such as skilled nursing care; medical Benefits under group or individual automobile contracts; and Medicare or other governmental Benefits, as permitted by law.
  - b. "Coverage Plan" does not include: individual or family insurance; closed panel or other individual coverage (except for group-type coverage); school accident type coverage; Benefits for non-medical components of group long-term care policies; Medicare supplement policies, Medicaid policies and coverage under other governmental Plans, unless permitted by law.

Each contract for coverage under a. or b. above is a separate Coverage Plan. If a Coverage Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Coverage Plan.

*To continue reading, go to left column on next page.*

2. The order of benefit determination rules determine whether this Coverage Plan is a "Primary Coverage Plan" or "Secondary Coverage Plan" when compared to another Coverage Plan covering the person.

When this Coverage Plan is primary, its Benefits are determined before those of any other Coverage Plan and without considering any other Coverage Plan's Benefits. When this Coverage Plan is secondary, its Benefits are determined after those of another Coverage Plan and may be reduced because of the Primary Coverage Plan's Benefits.

3. "Allowable Expense" means a health care service or expense, including deductibles and Copayments, that is covered at least in part by any of the Coverage Plans covering the person. When a Coverage Plan provides Benefits in the form of services, (for example an HMO) the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid. An expense or service that is not covered by any of the Coverage Plans is not an Allowable Expense. Dental care, routine vision care, outpatient prescription drugs, and hearing aids are examples of expenses or services that are not Allowable Expenses under the Plan. The following are additional examples of expenses or services that are not Allowable Expenses:
- a. If a Covered Person is confined in a private Hospital room, the difference between the cost of a Semi-private Room in the Hospital and the private room, (unless the patient's stay in a private Hospital room is medically necessary in terms of generally accepted medical practice, or one of the Coverage Plans routinely provides coverage for Hospital private rooms) is not an Allowable Expense.
  - b. If a person is covered by two or more Coverage Plans that compute their benefit payments on the basis of usual and customary fees, any amount in excess of the highest of the

usual and customary fees for a specific benefit is not an Allowable Expense.

- c. If a person is covered by two or more Coverage Plans that provide Benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable Expense.
  - d. If a person is covered by one Coverage Plan that calculates its Benefits or services on the basis of usual and customary fees and another Coverage Plan that provides its Benefits or services on the basis of negotiated fees, the Primary Coverage Plan's payment arrangements shall be the Allowable Expense for all Coverage Plans.
  - e. The amount a benefit is reduced by the Primary Coverage Plan because a Covered Person does not comply with the Coverage Plan provisions. Examples of these provisions are second surgical opinions, precertification of admissions, and preferred provider arrangements.
4. "Claim Determination Period" means a calendar year. However, it does not include any part of a year during which a person has no coverage under this Coverage Plan, or before the date this COB provision or a similar provision takes effect.
5. "Closed Panel Plan" is a Coverage Plan that provides health Benefits to Covered Persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Coverage Plan, and that limits or excludes Benefits for services provided by other providers, except in cases of Emergency or referral by a panel member.
6. "Custodial Parent" means a parent awarded custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.

## Order of Benefit Determination Rules

When two or more Coverage Plans pay Benefits, the rules for determining the order of payment are as follows:

- A. The Primary Coverage Plan pays or provides its Benefits as if the Secondary Coverage Plan or Coverage Plans did not exist.
- B. A Coverage Plan that does not contain a coordination of Benefits provision that is consistent with this provision is always primary. There is one exception: coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of Benefits may provide that the supplementary coverage shall be excess to any other parts of the Coverage Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base Coverage Plan Hospital and surgical Benefits, and insurance type coverages that are written in connection with a closed panel Coverage Plan to provide PPO Non-Network Benefits.
- C. A Coverage Plan may consider the Benefits paid or provided by another Coverage Plan in determining its Benefits only when it is secondary to that other Coverage Plan.
- D. The first of the following rules that describes which Coverage Plan pays its Benefits before another Coverage Plan is the rule to use.
  1. Non-Dependent or Dependent. The Coverage Plan that covers the person other than as a Dependent, for example as an employee, member, subscriber or retiree is primary and the Coverage Plan that covers the person as a Dependent is secondary. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Coverage Plan covering the person as a Dependent; and primary to the Coverage Plan covering the person as other than a Dependent (e.g. a retired employee); then the order of

*To continue reading, go to right column on this page.*

Benefits between the two Coverage Plans is reversed so that the Coverage Plan covering the person as an employee, member, subscriber or retiree is secondary and the other Coverage Plan is primary.

2. Child Covered Under More Than One Coverage Plan. The order of Benefits when a child is covered by more than one Coverage Plan is:
  - a. The Primary Coverage Plan is the Coverage Plan of the parent whose birthday is earlier in the year if:
    - 1) The parents are married;
    - 2) The parents are not separated (whether or not they ever have been married); or
    - 3) A court decree awards joint custody without specifying that one party has the responsibility to provide health care coverage.
  - b. If both parents have the same birthday, the Coverage Plan that covered either of the parents longer is primary.
  - c. If the specific terms of a court decree state that one of the parents is responsible for the child's health care expenses or health care coverage and the Coverage Plan of that parent has actual knowledge of those terms, that Coverage Plan is primary. This rule applies to claim determination periods or plan years commencing after the Coverage Plan is given notice of the court decree.
  - d. If the parents are not married, or are separated (whether or not they ever have been married) or are divorced, the order of Benefits is:
    - 1) The Coverage Plan of the custodial parent;
    - 2) The Coverage Plan of the spouse of the custodial parent;
    - 3) The Coverage Plan of the noncustodial parent; and then

*To continue reading, go to left column on next page.*

- 4) The Coverage Plan of the spouse of the noncustodial parent.
3. Active or inactive employee. The Coverage Plan that covers a person as an employee who is neither laid off nor retired is primary. The same would hold true if a person is a Dependent of a person covered as a retiree and an employee. If the other Coverage Plan does not have this rule, and if, as a result, the Coverage Plans do not agree on the order of Benefits, this rule is ignored. Coverage provided an individual as a retired worker and as a Dependent of an actively working spouse will be determined under the rule labeled D(1).
4. Continuation coverage. If a person whose coverage is provided under a right of continuation provided by federal or state law also is covered under another Coverage Plan, the Coverage Plan covering the person as an employee, member, subscriber or retiree or as that person's Dependent is primary, and the continuation coverage is secondary. If the other Coverage Plan does not have this rule, and if, as a result, the Coverage Plans do not agree on the order of Benefits, this rule is ignored.
5. Longer or shorter length of coverage. The Coverage Plan that covered the person as an employee, member, subscriber or retiree longer is primary.
6. If a husband or wife is covered under this Coverage Plan as an Employee and as an Enrolled Dependent, the Dependent Benefits will be coordinated as if they were provided under another Coverage Plan, this means the Employee's benefit will pay first.
7. If the preceding rules do not determine the Primary Coverage Plan, the Allowable Expenses shall be shared equally between the Coverage Plans meeting the definition of Coverage Plan under this provision. In addition, this

*To continue reading, go to right column on this page.*

Coverage Plan will not pay more than it would have paid had it been primary.

## **Effect on the Benefits of this Plan**

- A. When this Coverage Plan is secondary, it may reduce its Benefits so that the total Benefits paid or provided by all Coverage Plans during a claim determination period are not more than 100% of total Allowable Expenses. The difference between the benefit payments that this Coverage Plan would have paid had it been the Primary Coverage Plan, and the benefit payments that it actually paid or provided shall be recorded as a benefit reserve for the Covered Person and used by this Coverage Plan to pay any Allowable Expenses, not otherwise paid during the claim determination period. As each claim is submitted, this Coverage Plan will:

1. Determine its obligation to pay or provide Benefits under its contract;
2. Determine whether a benefit reserve has been recorded for the Covered Person; and
3. Determine whether there are any unpaid Allowable Expenses during that claim determination period.

If there is a benefit reserve, the Secondary Coverage Plan will use the Covered Person's benefit reserve to pay up to 100% of total Allowable Expenses incurred during the claim determination period. At the end of the claim determination period, the benefit reserve returns to zero. A new benefit reserve must be created for each new claim determination period.

- B. If a Covered Person is enrolled in two or more closed panel Coverage Plans and if, for any reason, including the provision of service by a non-panel provider, Benefits are not payable by one closed panel Coverage Plan, COB shall not apply between that Coverage Plan and other closed panel Coverage Plans.

*To continue reading, go to left column on next page.*

- C. This Coverage Plan reduces its Benefits as described below for Covered Persons who are eligible for Medicare when Medicare would be the Primary Coverage Plan.

Medicare Benefits are determined as if the full amount that would have been payable under Medicare was actually paid under Medicare, even if:

- The person is entitled but not enrolled for Medicare. Medicare Benefits are determined as if the person were covered under Medicare Parts A and B.
- The person is enrolled in a Medicare+Choice (Medicare Part C) plan and receives non-covered services because the person did not follow all rules of that plan. Medicare Benefits are determined as if the services were covered under Medicare Parts A and B.
- The person receives services from a provider who has elected to opt-out of Medicare. Medicare Benefits are determined as if the services were covered under Medicare Parts A and B and the provider had agreed to limit charges to the amount of charges allowed under Medicare rules.
- The services are provided in any facility that is not eligible for Medicare reimbursements, including a Veterans Administration facility, facility of the Uniformed Services, or other facility of the federal government. Medicare Benefits are determined as if the services were provided by a facility that is eligible for reimbursement under Medicare.
- The person is enrolled under a Plan with a Medicare Medical Savings Account. Medicare Benefits are determined as if the person were covered under Medicare Parts A and B.

*To continue reading, go to right column on this page.*

## **Right to Receive and Release Needed Information**

Certain facts about health care coverage and services are needed to apply these COB rules and to determine Benefits payable under this Coverage Plan and other Coverage Plans. The Claims Administrator may get the facts it needs from, or give them to, other organizations or persons for the purpose of applying these rules and determining Benefits payable under this Coverage Plan and other Coverage Plans covering the person claiming Benefits.

The Claims Administrator need not tell, or get the consent of, any person to do this. Each person claiming Benefits under this Coverage Plan must give us any facts we need to apply those rules and determine Benefits payable. If you do not provide us the information we need to apply these rules and determine the Benefits payable, your claim for Benefits will be denied.

## **Payments Made**

A payment made under another Coverage Plan may include an amount that should have been paid under this Coverage Plan. If it does, we may pay that amount to the organization that made the payment. That amount will then be treated as though it were a benefit paid under this Coverage Plan. We will not have to pay that amount again. The term "payment made" includes providing Benefits in the form of services, in which case "payment made" means reasonable cash value of the Benefits provided in the form of services.

*To continue reading, go to left column on next page.*

## Right of Recovery

If the amount of the payments we made is more than we should have paid under this COB provision, we may recover the excess from one or more of the persons we have paid or for whom we have paid; or any other person or organization that may be responsible for the Benefits or services provided for you. The "amount of the payments made" includes the reasonable cash value of any Benefits provided in the form of services.

## Section 8: When Coverage Ends

This section provides you with information about all of the following:

- Events that cause coverage to end.
- The date your coverage ends.
- Continuation of coverage under federal law (COBRA).

### General Information about When Coverage Ends

We may discontinue this Benefit Plan and/or all similar benefit Plans at any time.

Your entitlement to Benefits automatically ends on the date that coverage ends, even if you are hospitalized or are otherwise receiving medical treatment on that date.

When your coverage ends, we will still pay claims for Covered Health Services that you received before your coverage ended. However, once your coverage ends, we do not provide Benefits for health services that you receive for medical conditions that occurred before your coverage ended, even if the underlying medical condition occurred before your coverage ended.

An Enrolled Dependent's coverage ends on the date the Employee's coverage ends or sooner if the Employee chooses to end the Dependent's coverage or as otherwise set forth in this SPD.

## Events Ending Your Coverage

Coverage ends on the earliest of the dates specified in the following table:

Ending Event	What Happens
<b>The Entire Plan Ends</b>	Your coverage ends on the date the Plan ends. We are responsible for notifying you that your coverage has ended.
<b>You Are No Longer Eligible</b>	<p>Unless an exception applies, your coverage ends on the date you are no longer eligible to be an Employee or Enrolled Dependent. Please refer to Section 10: Glossary of Defined Terms for a more complete definition of the terms “Eligible Person,” “Employee,” “Dependent,” and “Enrolled Dependent.” You may qualify for continuation coverage under federal law. See page 67.</p> <p>Exceptions under which your coverage may extend beyond employment include:</p> <ul style="list-style-type: none"><li>▪ <u>Layoff.</u> If you are laid off as a result of a reduction of force or you voluntarily terminate employment pursuant to a voluntary reduction of force, coverage for you and your Dependents may be continued provided all required contributions are paid. During the first year, contributions are the same as required of an Active Employee. During the second year, you must pay 50% of the COBRA rate (see below). During the third year and thereafter, you must pay 100% of the COBRA rate. This period of coverage will be credited toward satisfying the maximum coverage provided under COBRA as discussed below.</li><li>▪ <u>Disability.</u> If you become disabled and qualify for disability benefits under your Employer’s short-term or long-term disability program (or state industrial insurance), coverage for you and your Eligible Dependents may be continued for the duration of the disability, until a dependent no longer qualifies as such, or until you are eligible for normal retirement, whichever first occurs. You must pay all required contributions. This period of coverage will be credited toward satisfying the maximum coverage provided under COBRA as discussed below.</li><li>▪ <u>Death.</u> If you die, coverage for your Eligible Dependents will continue for a period of one year. Coverage is dependent upon paying the required contributions. Coverage ends upon the earlier of failure to make the required contributions or remarriage of a spouse. Remarriage of a spouse does not render other Dependents ineligible. Dependent Coverage will end when the dependent no longer</li></ul>

meets the eligibility criteria to qualify as a Dependent. This period of coverage will be credited toward satisfying the maximum coverage provided under COBRA discussed below.

- Strike. If you cease work because of a strike, lockout, suspension or other labor dispute, coverage can be continued for up to six months. Coverage will end upon failure to make required contributions. This coverage will be credited toward satisfying the maximum coverage provided under COBRA as discussed below.

In addition to the foregoing, coverage for you and your dependents may be continued while you are on an approved leave of absence (other than for military service) provided all required contributions are paid. Coverage may be continued during family and medical leave or military leave as follows:

- Family and Medical Leave. If you are on an unpaid leave to care for a newborn; to care for a child placed with you for adoption or foster care; or for your serious health condition or that of your spouse, child or parent, coverage for you and your Eligible Dependents will be continued for up to 12 weeks. Your Employer will continue to pay for the coverage to the extent required by law. To maintain your eligibility, you must continue to contribute the same share of the cost of coverage that you would pay when not on leave.
- Military Leave. You may continue your coverage if you go into military service to the extent mandated by the Uniformed Services and Reemployment Rights Act of 1994. You and your Dependents must be covered at the time you leave for military service. The maximum period of coverage is the lesser of:
  - The 18-month period beginning on the date that uniformed service leave commences.
  - The period beginning on the date that uniformed service leave commences and ending on the day after the day on which you were required to apply for a return to a position of employment and failed to do so.

You may be required to pay up to 102% of the full contribution required of an active employee except when you are on active duty for 30 days or less, in which case the cost you must bear cannot exceed an Active Employee's share. On your return, Plan exclusions and waiting periods may be imposed for any sickness or injury determined by the Secretary of Veterans Affairs to have been incurred in, or

Ending Event	What Happens
	aggravated during, military service.
<b>The Claims Administrator Receives Notice to End Coverage</b>	Your coverage ends on the date the Claims Administrator receives written notice from us (i.e., the HEWT or your employer), instructing the Claims Administrator to end your coverage, or the date requested in the notice, if later.
<b>Employee Retires or Is Pensioned</b>	Your coverage ends on the date that you retire from active employment with a Sponsoring Employer. However, you may qualify for continuation coverage under federal law. See page 66. In addition, you may qualify for health coverage in retirement under the Hanford Employee Welfare Trust Retiree Medical Plan. For information on the eligibility requirements, go to the “Plan Document and Administrative Information – Hanford Retiree Welfare Benefit Plans.

## Other Events Ending Your Coverage

When any of the following happen, we will provide written notice to the Employee that coverage has ended on the date the Plan Administrator identifies in the notice:

Ending Event	What Happens
<b>Fraud, Misrepresentation or False Information</b>	Fraud or misrepresentation, or because the Employee knowingly gave us or the Claims Administrator false material information. Examples include false information relating to another person's eligibility or status as a Dependent. During the first two years the Plan is in effect, we have the right to demand that you pay back all Benefits we paid to you, or paid in your name, during the time you were incorrectly covered under the Plan. After the first two years, we can only demand that you pay back these Benefits if the written application contained a fraudulent misstatement.
<b>Material Violation</b>	There was a material violation of the terms of the Plan.
<b>Improper Use of ID Card</b>	You permitted an unauthorized person to use your ID card, or you used another person's card.
<b>Failure to Pay</b>	You failed to pay a required contribution.
<b>Threatening Behavior</b>	You committed acts of physical or verbal abuse that pose a threat to our staff, the Claims Administrator's staff, a provider, or other Covered Persons.

## Coverage for a Handicapped Child

Coverage for an unmarried Enrolled Dependent child who is not able to be self-supporting because of mental retardation or a physical handicap will not end just because the child has reached a certain age. We will extend the coverage for that child beyond the limiting age if all of the following are true regarding the Enrolled Dependent child:

- Before reaching age 23.
- Is not able to be self-supporting because of mental retardation or physical handicap.
- Depends mainly on the Employee for support.

Coverage will continue as long as the Enrolled Dependent is incapacitated and a Dependent and unless coverage is otherwise terminated in accordance with the terms of the Plan.

We will ask you to furnish the Claims Administrator with proof of the child's incapacity and dependency within 31 days of the date coverage would otherwise have ended because the child reached a certain age. Before the Claims Administrator agrees to this extension of coverage for the child, the Claims Administrator may require that a Physician chosen by us examine the child. We will pay for that examination.

The Claims Administrator may continue to ask you for proof that the child continues to meet these conditions of incapacity and dependency. Such proof might include medical examinations at our expense. However, we will not ask for this information more than once a year.

If you do not provide proof of the child's incapacity and dependency within 31 days of the Claims Administrator's request as described above, coverage for that child will end.

*To continue reading, go to right column on this page.*

## Continuation of Coverage

If your coverage ends under the Plan, you may be entitled to elect continuation coverage (coverage that continues on in some form) in accordance with federal law.

## Continuation Coverage under Federal Law (COBRA)

Much of the language in this section comes from the federal law that governs continuation coverage. You should call your Plan Administrator if you have questions about your right to continue coverage.

In order to be eligible for continuation coverage under federal law, you must meet the definition of a "Qualified Beneficiary". A Qualified Beneficiary is any of the following persons who was covered under the Plan on the day before a qualifying event:

- An Employee.
- An Employee's Enrolled Dependent, including with respect to the Employee's children, a child born to or placed for adoption with the Employee during a period of continuation coverage under Federal Law.
- An Employee's former spouse.

## Qualifying Events for Continuation Coverage under COBRA

If the coverage of a Qualified Beneficiary would ordinarily terminate due to one of the following qualifying events, then the Qualified Beneficiary is entitled to continue coverage. The Qualified Beneficiary is entitled to elect the same coverage that she or he had on the day before the qualifying event.

- A. Termination of the Employee from employment with us, for any reason other than gross misconduct, or reduction of hours; or
- B. Death of the Employee; or
- C. Divorce or legal separation of the Employee; or
- D. Loss of eligibility by an Enrolled Dependent who is a child; or
- E. Entitlement of the Employee to Medicare Benefits; or
- F. Your Sponsoring Employer filing for bankruptcy, under Title XI, United States Code, on or after July 1, 1986, but only for a retired Employee and his or her Enrolled Dependents. This is also a qualifying event for any retired Employee and his or her Enrolled Dependents if there is a substantial elimination of coverage within one year before or after the date the bankruptcy was filed.

## Notification Requirements and Election Period for Continuation Coverage under COBRA

The Employee or other Qualified Beneficiary must notify the Plan Administrator within 60 days of the Employee's divorce, legal separation or an Enrolled Dependent's loss of eligibility as an Enrolled Dependent. If the Employee or other Qualified Beneficiary fails to notify the Plan Administrator of these events within the 60 day period, the Plan Administrator is not obligated to provide continued coverage to the affected Qualified Beneficiary. If an Employee is continuing coverage under Federal Law, the Employee must notify the Plan Administrator within 60 days of the birth or adoption of a child.

Continuation must be elected by the later of 60 days after the qualifying event occurs; or 60 days after the Qualified Beneficiary receives notice of the continuation right from the Plan Administrator.

*To continue reading, go to right column on this page.*

If the Qualified Beneficiary's coverage was terminated due to a qualifying event, then the initial premium due to the Plan Administrator must be paid on or before the 45th day after electing continuation.

## COBRA Terminating Events

COBRA continuation coverage under the Plan will end on the earliest of the following dates:

- A. Eighteen months from the date of the qualifying event, if the Qualified Beneficiary's coverage would have ended because the Employee's employment was terminated or hours were reduced (i.e., qualifying event A.).

If a Qualified Beneficiary is determined to have been disabled under the Social Security Act at anytime within the first 60 days of continuation coverage for qualifying event A. then the Qualified Beneficiary may elect an additional 11 months of continuation coverage (for a total of 29 months of continued coverage) subject to the following condition: (i) notice of such disability must be provided within 60 days after the determination of the disability, and in no event later than the end of the first 18 months; (ii) the Qualified Beneficiary must agree to pay any increase in the required premium for the additional 11 months; and (iii) if the Qualified Beneficiary entitled to the 11 months of coverage has non-disabled family members who are also Qualified Beneficiaries, then those non-disabled Qualified Beneficiaries are also entitled to the additional 11 months of continuation coverage. Notice of any final determination that the Qualified Beneficiary is no longer disabled must be provided within 30 days of such determination. Thereafter, continuation coverage may be terminated on the first day of the month that begins more than 30 days after the date of that determination.

*To continue reading, go to left column on next page.*

- B. Thirty-six months from the date of the qualifying event for an Enrolled Dependent whose coverage ended because of the death of the Employee, divorce or legal separation of the Employee, loss of eligibility by an Enrolled Dependent who is a child (i.e. qualifying events B., C., or D.).
- C. For the Enrolled Dependents of an Employee who was entitled to Medicare prior to a qualifying event that was due to either the termination of employment or work hours being reduced, eighteen months from the date of the qualifying event, or, if later, 36 months from the date of the Employee's Medicare entitlement.
- D. The date coverage terminates under the Plan for failure to make timely payment of the premium.
- E. The date, after electing continuation coverage, that coverage is first obtained under any other group health Plan. If such coverage contains a limitation or exclusion with respect to any preexisting condition, continuation shall end on the date such limitation or exclusion ends. The other group health coverage shall be primary for all health services except those health services that are subject to the pre-existing condition limitation or exclusion.
- F. The date, after electing continuation coverage, that the Qualified Beneficiary first becomes entitled to Medicare, except that this shall not apply in the event that coverage was terminated because the Plan Sponsor filed for bankruptcy, (i.e. qualifying event F.).
- G. The date your Sponsoring Employer ceases to provide group health benefits to any Employees.
- H. The date coverage would otherwise terminate under the Plan as described in this section under the heading *Events Ending Your Coverage*.

*To continue reading, go to right column on this page.*

If a Qualified Beneficiary is entitled to 18 months of continuation and a second qualifying event occurs during that time, the Qualified Beneficiary's coverage may be extended up to a maximum of 36 months from the date coverage ended because employment was terminated or hours were reduced. If the Qualified Beneficiary was entitled to continuation because the Sponsoring Employer filed for bankruptcy, (i.e. qualifying event F.) and the retired Employee dies during the continuation period, then the other Qualified Beneficiaries shall be entitled to continue coverage for 36 months from the date of the Employee's death. Terminating events B through G described in this section will apply during the extended continuation period.

Continuation coverage for Qualified Beneficiaries whose continuation coverage terminates because the Employee becomes entitled to Medicare may be extended for an additional period of time. Such Qualified Beneficiaries should contact the Plan Administrator for information regarding the continuation period.

## Section 9: General Legal Provisions

This section provides you with information about:

- General legal provisions concerning your Plan.

### Plan Document

This Summary Plan Description presents an overview of your Benefits. In the event of any discrepancy between this Summary Plan Description and the official Plan Document, the Plan Document shall govern.

### Relationship with Providers

The relationships between us, the Claims Administrator, and Network providers are solely contractual relationships between independent contractors. Network providers are not our agents or Employees. Nor are they agents or Employees of the Claims Administrator. Neither we nor any of our Employees are agents or Employees of Network providers. Neither we nor the Claims Administrator are liable for any act or omission of any provider.

We do not provide health care services or supplies, nor do we practice medicine. Instead, we pay Benefits. Network providers are independent practitioners who run their own offices and facilities. The credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided.

*To continue reading, go to right column on this page.*

The Claims Administrator is not considered to be an employer or Plan Administrator for any purpose with respect to the administration or provision of Benefits under this Plan.

The Plan Administrator is solely responsible for all of the following:

- Enrollment and classification changes (including classification changes resulting in your enrollment or the termination of your coverage).
- The timely payment of Benefits.
- Notifying you of the termination or modifications to the Plan.

### Your Relationship with Providers

The relationship between you and any provider is that of provider and patient.

- You are responsible for choosing your own provider.
- You must decide if any provider treating you is right for you. This includes Network providers you choose and providers to whom you have been referred.
- You must decide with your provider what care you should receive.
- Your provider is solely responsible for the quality of the services provided to you.

The relationship between you and us is that of employer and Employee, Dependent or other classification as defined in the Plan.

### Incentives to Providers

The Claims Administrator pays Network providers through various types of contractual arrangements, some of which may include financial incentives to promote the delivery of health care in a cost

*To continue reading, go to left column on next page.*

efficient and effective manner. These financial incentives are not intended to affect your access to health care.

Examples of financial incentives for Network providers are:

- Bonuses for performance based on factors that may include quality, member satisfaction, and/or cost effectiveness.
- Capitation - a group of Network providers receives a monthly payment from the Claims Administrator for each Covered Person who selects a Network provider within the group to perform or coordinate certain health services. The Network providers receive this monthly payment regardless of whether the cost of providing or arranging to provide the Covered Person's health care is less than or more than the payment.

The methods used to pay specific Network providers may vary. From time to time, the payment method may change. If you have questions about whether your Network provider's contract includes any financial incentives, we encourage you to discuss those questions with your provider. You may also contact the Claims Administrator at the telephone number, 1-866-249-7606, shown on your ID card. They can advise whether your Network provider is paid by any financial incentive, including those listed above; however, the specific terms of the contract, including rates of payment, are confidential and cannot be disclosed.

## Incentives to You

Sometimes the Claims Administrator may offer coupons or other incentives to encourage you to participate in various wellness programs or certain disease management programs. The decision about whether or not to participate is yours alone but we recommend that you discuss participating in such programs with your Physician. These incentives are not Benefits and do not alter or

affect your Benefits. Contact the Claims Administrator if you have any questions.

## Interpretation of Benefits

We and the Claims Administrator have sole and exclusive discretion to do all of the following:

- Interpret Benefits under the Plan.
- Interpret the other terms, conditions, limitations and exclusions of the Plan, including this SPD and any Riders and Amendments.
- Make factual determinations related to the Plan and its Benefits.

We and the Claims Administrator may delegate this discretionary authority to other persons or entities who provide services in regard to the administration of the Plan.

In certain circumstances, for purposes of overall cost savings or efficiency, we may, in our sole discretion, offer Benefits for services that would otherwise not be Covered Health Services. The fact that we do so in any particular case shall not in any way be deemed to require us to do so in other similar cases.

## Administrative Services

We may, in our sole discretion, arrange for various persons or entities to provide administrative services in regard to the Plan, such as claims processing. The identity of the service providers and the nature of the services they provide may be changed from time to time in our sole discretion. We are not required to give you prior notice of any such change, nor are we required to obtain your approval. You must cooperate with those persons or entities in the performance of their responsibilities.

*To continue reading, go to right column on this page.*

*To continue reading, go to left column on next page.*

## Amendments to the Plan

We reserve the right, in our sole discretion and without your approval, to change, interpret, modify, withdraw or add Benefits or terminate the Plan. Plan Amendments and Riders are effective on the date we specify.

Any provision of the Plan which, on its effective date, is in conflict with the requirements of federal statutes or regulations, or applicable state law provisions not otherwise preempted by ERISA (of the jurisdiction in which the Plan is delivered) is hereby amended to conform to the minimum requirements of such statutes and regulations.

Any change or Amendment to or termination of the Plan, its Benefits or its terms and conditions, in whole or in part, shall be made solely in a written Amendment (in the case of a change or Amendment) or in a written resolution (in the case of a termination), whether prospective or retroactive, to the Plan, in accordance with the procedures established by us. Covered Persons will receive notice of any material modification to the Plan. No one has the authority to make any oral modification to the SPD.

## Clerical Error

If a clerical error or other mistake occurs, that error does not create a right to Benefits. These errors include, but are not limited to, providing misinformation on eligibility or Benefit coverages or entitlements. It is your responsibility to confirm the accuracy of statements made by us or our designees, including the Claims Administrator, in accordance with the terms of this SPD and other Plan documents.

*To continue reading, go to right column on this page.*

## Information and Records

At times we or the Claims Administrator may need additional information from you. You agree to furnish us and/or the Claims Administrator with all information and proofs that we may reasonably require regarding any matters pertaining to the Plan. If you do not provide this information when we request it we may delay or deny payment of your Benefits.

By accepting Benefits under the Plan, you authorize and direct any person or institution that has provided services to you to furnish us or the Claims Administrator with all information or copies of records relating to the services provided to you. We or the Claims Administrator have the right to request this information at any reasonable time. This applies to all Covered Persons, including Enrolled Dependents whether or not they have signed the Employee's enrollment form. We and the Claims Administrator agree that such information and records will be considered confidential.

We and the Claims Administrator have the right to release any and all records concerning health care services which are necessary to implement and administer the terms of the Plan, for appropriate medical review or quality assessment, or as we are required to do by law or regulation. During and after the term of the Plan, we, the Claims Administrator, and our related entities may use and transfer the information gathered under the Plan for research and analytic purposes.

For complete listings of your medical records or billing statements we recommend that you contact your health care provider. Providers may charge you reasonable fees to cover their costs for providing records or completing requested forms.

*To continue reading, go to left column on next page.*

If you request medical forms or records from us, we also may charge you reasonable fees to cover costs for completing the forms or providing the records.

In some cases, we or the Claims Administrator will designate other persons or entities to request records or information from or related to you, and to release those records as necessary. Such designees have the same rights to this information as the Plan Administrator.

## Examination of Covered Persons

In the event of a question or dispute regarding your right to Benefits, we may require that a Network Physician of our choice examine you at our expense.

## Workers' Compensation not Affected

Benefits provided under the Plan do not substitute for and do not affect any requirements for coverage by workers' compensation insurance.

## Medicare Eligibility

Benefits under the Plan are not intended to supplement any coverage provided by Medicare. Nevertheless, in some circumstances Covered Persons who are eligible for or enrolled in Medicare may also be enrolled under the Plan.

***If you are eligible for or enrolled in Medicare, please read the following information carefully.***

If you are eligible for Medicare on a primary basis (Medicare pays before Benefits under the Plan), you **should** enroll for and maintain coverage under both Medicare Part A and Part B. If you don't enroll

*To continue reading, go to right column on this page.*

and maintain that coverage, and if we are the secondary payer as described in Section 7: Coordination of Benefits, we will pay Benefits under the Plan as if you were covered under both Medicare Part A and Part B. As a result, you will be responsible for the costs that Medicare would have paid and you will incur a larger out-of-pocket cost.

If you are enrolled in a Medicare+Choice (Medicare Part C) Plan on a primary basis (Medicare pays before Benefits under the Plan), you **should** follow all rules of that Plan that require you to seek services from that Plan's participating providers. When we are the secondary payer, we will pay any Benefits available to you under the Plan as if you had followed all rules of the Medicare+Choice Plan. You will be responsible for any additional costs or reduced Benefits that result from your failure to follow these rules, and you will incur a larger out-of-pocket cost.

## Subrogation and Reimbursement

Subrogation is the substitution of one person or entity in the place of another with reference to a lawful claim, demand or right. If you receive a Benefit payment from the Plan for an Injury caused by a third party, and you later receive any payment for that same condition or Injury from another person, organization or insurance company, we have the right to recover any payments made by the Plan to you. This process of recovering earlier payments is called subrogation. In case of subrogation, you may be asked to sign and deliver information or documents necessary for us to protect our right to recover Benefit payments made. You agree to provide us all assistance necessary as a condition of participation in the Plan, including cooperation and information submitted to as supplied by a workers' compensation, liability insurance carrier, and any medical Benefits, no-fault insurance, or school insurance coverage that are paid or payable.

*To continue reading, go to left column on next page.*

We shall be subrogated to and shall succeed to all rights of recovery, under any legal theory of any type, for the reasonable value of services and Benefits we provided to you from any or all of the following:

- Third parties, including any person alleged to have caused you to suffer injuries or damages.
- Your employer.
- Any person or entity obligated to provide Benefits or payments to you, including Benefits or payments for underinsured or uninsured motorist protection (these third parties and persons or entities are collectively referred to as "Third Parties").

You agree as follows:

- To assign to us all rights of recovery against Third Parties, to the extent of the reasonable value of services and Benefits we provided, plus reasonable costs of collection.
- To cooperate with us in protecting our legal rights to subrogation and reimbursement.
- That our rights will be considered as the first priority claim against Third Parties, to be paid before any other of your claims are paid.
- That you will do nothing to prejudice our rights under this provision, either before or after the need for services or Benefits under the Plan.
- That we may, at our option, take necessary and appropriate action to preserve our rights under these subrogation provisions, including filing suit in your name.
- That regardless of whether or not you have been fully compensated, we may collect from the proceeds of any full or partial recovery that you or your legal representative obtain, whether in the form of a settlement (either before or after any

determination of liability) or judgment, the reasonable value of services provided under the Plan.

- To hold in trust for our benefit under these subrogation provisions any proceeds of settlement or judgment.
- That we shall be entitled to recover reasonable attorney fees from you incurred in collecting proceeds held by you.
- That you will not accept any settlement that does not fully compensate or reimburse us without our written approval.
- To execute and deliver such documents (including a written confirmation of assignment, and consent to release medical records), and provide such help (including responding to requests for information about any accident or injuries and making court appearances) as we may reasonably request from you.
- We will not pay fees, costs or expenses you incur with any claim or lawsuit, without our prior written consent.

## Refund of Overpayments

If we pay Benefits for expenses incurred on account of a Covered Person, that Covered Person, or any other person or organization that was paid, must make a refund to us if either of the following apply:

- All or some of the expenses were not paid by the Covered Person or did not legally have to be paid by the Covered Person.
- All or some of the payment we made exceeded the Benefits under the Plan.

The refund equals the amount we paid in excess of the amount we should have paid under the Plan. If the refund is due from another person or organization, the Covered Person agrees to help us get the refund when requested.

*To continue reading, go to right column on this page.*

*To continue reading, go to left column on next page.*

If the Covered Person, or any other person or organization that was paid, does not promptly refund the full amount, we may reduce the amount of any future Benefits that are payable under the Plan. The reductions will equal the amount of the required refund. We may have other rights in addition to the right to reduce future Benefits.

## **Limitation of Action**

If you want to bring a legal action against us or the Claims Administrator you must do so within three years from the expiration of the time period in which a request for reimbursement must be submitted or you lose any rights to bring such an action against us or the Claims Administrator.

You cannot bring any legal action against us or the Claims Administrator for any other reason unless you first complete all the steps in the appeal process described in this document. After completing that process, if you want to bring a legal action against us or the Claims Administrator you must do so within three years of the date you are notified of our final decision on your appeal or you lose any rights to bring such an action against us or the Claims Administrator.

This section:

- Defines the terms used throughout this SPD.
- Is not intended to describe Benefits.

A Covered Health Service is a health care service or supply described in Section 1: What's Covered--Benefits as a Covered Health Service, which is not excluded under Section 2: What's Not Covered--Exclusions, including Experimental or Investigational Services and Unproven Services.

Covered Health Services must be provided:

- When the Plan is in effect;

- Prior to the effective date of any of the individual termination conditions set forth in this Summary Plan Description; and
- Only when the person who receives services is a Covered Person and meets all eligibility requirements specified in the Plan.

Decisions about whether to cover new technologies, procedures and treatments will be consistent with conclusions of prevailing medical research, based on well-conducted randomized trials or cohort studies, as described.

**Covered Person** - either the Employee or an Enrolled Dependent, but this term applies only while the person is enrolled under the Plan. References to "you" and "your" throughout this SPD are references to a Covered Person.

**Custodial Care** - services that:

- Are non-health related services, such as assistance in activities of daily living (including but not limited to feeding, dressing, bathing, transferring and ambulating); or

  - The child must not be regularly employed on a full-time basis.
  - The child must be a Full-time Student.
  - The child must be primarily Dependent upon the Employee for support and maintenance.

The Employee must reimburse us for any Benefits that we pay for a child at a time when the child did not satisfy these conditions.

A Dependent also includes a child for whom health care coverage is required through a 'Qualified Medical Child Support Order' or other court or administrative order. We are responsible for determining if an order meets the criteria of a Qualified Medical Child Support Order.

A Dependent does not include anyone who is also enrolled as an Employee. No one can be a Dependent of more than one Employee.

**Designated United Resource Network Facility** - a Hospital that the Claims Administrator names as a Designated United Resource Network Facility. A Designated United Resource Network Facility has entered into an agreement with the Claims Administrator to render Covered Health Services for the treatment of specified diseases or conditions. fact that a Hospital is a Network Hospital does not mean that it is a Designated United Resource Network Facility.

**Durable Medical Equipment** - medical equipment that is all of the following:

- Can withstand repeated use.
- Is not disposable.
- Is used to serve a medical purpose with respect to treatment of a Sickness, Injury or their symptoms.
- Is generally not useful to a person in the absence of a Sickness, Injury or their symptoms.
- Is appropriate for use in the home.

**Eligible Expenses** - the amount we will pay for Covered Health Services, incurred while the Plan is in effect, are determined as stated below:

Eligible Expenses are based on either of the following:

- When Covered Health Services are received from Network providers, Eligible Expenses are the contracted fee(s) with that provider.
- When Covered Health Services are received from non-Network providers, the Claims Administrator calculates Eligible Expenses based on available data resources of competitive fees in that geographic area, unless you received services as a result of an Emergency or as otherwise arranged through the Claims Administrator. In this case, Eligible Expenses are the fee(s) that are negotiated with the non-Network provider.

Eligible Expenses are determined solely in accordance with the Claim Administrator's reimbursement policy guidelines. The reimbursement policy guidelines are developed, in the Claim Administrator's discretion, following evaluation and validation of all

*To continue reading, go to left column on next page.*

provider billings in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the Current Procedural Terminology (CPT), a publication of the American Medical Association.

*To continue reading, go to right column on this page.*

**Experimental or Investigational Services** - medical, surgical, diagnostic, psychiatric, substance abuse or other health care services, technologies, supplies, treatments, procedures, drug therapies or devices that, at the time we make a determination regarding coverage in a particular case, are determined to be any of the following:

- Not approved by the U.S. Food and Drug Administration (FDA) to be lawfully marketed for the proposed use and not identified in the American Hospital Formulary Service or the United States Pharmacopoeia Dispensing Information as appropriate for the proposed use.
- Subject to review and approval by any institutional review board for the proposed use.
- The subject of an ongoing clinical trial that meets the definition of a Phase 1, 2 or 3 clinical trial set forth in the FDA regulations, regardless of whether the trial is actually subject to FDA oversight.

If you have a life-threatening Sickness or condition (one which is likely to cause death within one year of the request for treatment) we may, in our discretion, determine that an Experimental or Investigational Service meets the definition of a Covered Health Service for that Sickness or condition. For this to take place, we must determine that the procedure or treatment is promising, but unproven, and that the service uses a specific research protocol that meets standards equivalent to those defined by the National Institutes of Health.

**Full-time Student** - a person who is enrolled in and attending, full-time, a recognized course of study or training at one of the following:

- An accredited high school.
- An accredited college or university.

*To continue reading, go to left column on next page.*

- A licensed vocational school, technical school, beautician school automotive school or similar training school.

Full-time Student status is determined in accordance with the standards set forth by the educational institution. You are no longer a Full-time Student on the date you graduate or otherwise cease to be enrolled and in attendance at the institution on a full-time basis.

You continue to be a Full-time Student during periods of regular vacation established by the institution. If you do not continue as a Full-time Student immediately following the period of vacation, the Full-time Student designation will end as described above.

**Home Health Agency** - a program or organization authorized by law to provide health care services in the home.

**Hospital** - an institution, operated as required by law, that is both of the following:

- Is primarily engaged in providing health services, on an inpatient basis, for the acute care and treatment of injured or sick individuals. Care is provided through medical, diagnostic and surgical facilities, by or under the supervision of a staff of Physicians.
- Has 24 hour nursing services.

A Hospital is not primarily a place for rest, Custodial Care or care of the aged and is not a nursing home, convalescent home or similar institution.

**Initial Enrollment Period** - the initial period of time, as determined by the Plan Administrator, during which Eligible Persons may enroll themselves and their Dependents under the Plan.

*To continue reading, go to right column on this page.*

The fact that a condition is listed in the current Diagnostic and Statistical Manual of the American Psychiatric Association does not mean that treatment for the condition is a Covered Health Service.

**Mental Health/Substance Abuse Designee** - the organization or individual, designated by us, that provides or arranges Mental Health Services and Substance Abuse Services for which Benefits are available under the Plan.

**Mental Illness** - those mental health or psychiatric diagnostic categories that are listed in the current Diagnostic and Statistical Manual of the American Psychiatric Association, unless those services are specifically excluded under the Plan.

*To continue reading, go to left column on next page.*

**Network** - when used to describe a provider of health care services, this means a provider that has a participation agreement in effect with the Claims Administrator or an affiliate (directly or through one or more other organizations) to provide Covered Health Services to Covered Persons.

A provider may enter into an agreement to provide only certain Covered Health Services, but not all Covered Health Services, or to be a Network provider for only some of our products. In this case, the provider will be a Network provider for the Health Services and products included in the participation agreement, and a non-Network provider for other Health Services and products. The participation status of providers will change from time to time.

**PPO Network Benefits** - Benefits for Covered Health Services that are provided by a Network Physician or other Network provider.

**PPO Non-Network Benefits** - Benefits for Covered Health Services that are provided by a non-Network Physician or other non-Network provider.

**Open Enrollment Period** - a period of time that follows the Initial Enrollment Period during which Eligible Persons may enroll themselves and Dependents under the Plan. The Plan Administrator will determine the period of time that is the Open Enrollment Period.

**Out of Area Benefits** - applies ONLY to active employees (and their dependents) whose homes are NOT located in an area in which UnitedHealthcare network providers are available.

**Out-of-Pocket Maximum** - the maximum amount of Copayments you pay every calendar year. If you use both PPO Network Benefits and PPO Non-Network Benefits, two separate Out-of-Pocket Maximums apply. Once you reach the Out-of-Pocket Maximum, Benefits for those Covered Health Services that apply to the Out-of-

Pocket Maximum are payable at 100% of Eligible Expenses during the rest of that calendar year.

Copayments for some Covered Health Services will never apply to the Out-of-Pocket Maximum, as specified in Section 1: What's Covered--Benefits and those Benefits will never be payable at 100% even when the Out-of-Pocket Maximum is reached.

The following costs will never apply to the Out-of-Pocket Maximum:

- Any charges for non-Covered Health Services.
- Copayments for Covered Health Services available by an optional Rider.
- Any Copayments for Covered Health Services in Section 1: What's Covered--Benefits that do not apply to the Out-of-Pocket Maximum.
- The Annual Deductible.
- The amount of any reduced Benefits if you don't notify Care Coordination<sup>SM</sup> as described in Section 1: What's Covered--Benefits under the *Must You Notify Care Coordination<sup>SM</sup>?* column.
- Charges that exceed Eligible Expenses.
- Charges for Mental Health and Substance Abuse Services.

Even when the Out-of-Pocket Maximum has been reached, the following will not be paid at 100%:

- Any charges for non-Covered Health Services.
- Covered Health Services available by an optional Rider.
- Covered Health Services in Section 1: What's Covered--Benefits that are subject to Copayments that do not apply to the Out-of-Pocket Maximum.

*To continue reading, go to left column on next page.*

- The amount of any reduced Benefits if you don't notify Care Coordination<sup>SM</sup> as described in Section 1: What's Covered--Benefits under the *Must You Notify Care Coordination<sup>SM</sup>*? column.
- Charges that exceed Eligible Expenses.

**Physician** - any Doctor of Medicine, "M.D.", or Doctor of Osteopathy, "D.O.", who is properly licensed and qualified by law.

Please Note: Any podiatrist, dentist, psychologist, chiropractor, optometrist, or other provider who acts within the scope of his or her license will be considered on the same basis as a Physician. The fact that we describe a provider as a Physician does not mean that Benefits for services from that provider are available to you under the Plan.

**Plan** - HEWT Options PPO and Out-of-Area Plan for Hanford Employee Welfare Trust Health Benefit Plan.

**Plan Administrator** - is the Hanford Employee Welfare Trust or its designee as that term is defined under ERISA.

**Plan Sponsor** - Hanford Employee Welfare Trust. References to "we", "us", and "our" throughout the SPD refer to the Plan Sponsor.

**Preexisting Condition** - an Injury or Sickness that is identified by the Plan Administrator as having been diagnosed or treated, or for which prescription medications or drugs were prescribed or taken within the six month period ending on the person's enrollment date. (The enrollment date is the date the person became covered under the Plan or, if earlier, the first day of any waiting period under the Plan.) A Preexisting Condition does not include Pregnancy. Genetic information is not an indicator of a Preexisting Condition, if there is not a diagnosis of a condition related to the genetic information.

**Pregnancy** - includes all of the following:

*To continue reading, go to right column on this page.*

- Prenatal care.
- Postnatal care.
- Childbirth.
- Any complications associated with Pregnancy.

**Rider** - any attached written description of additional Covered Health Services not described in this SPD. Riders are subject to all conditions, limitations and exclusions of the Plan except for those that are specifically amended in the Rider.

**Semi-private Room** - a room with two or more beds. When an Inpatient Stay in a Semi-private Room is a Covered Health Service, the difference in cost between a Semi-private Room and a private room is a Benefit only when a private room is necessary in terms of generally accepted medical practice, or when a Semi-private Room is not available.

**Sickness** - physical illness, disease or Pregnancy. The term Sickness as used in this SPD does not include Mental Illness or substance abuse, regardless of the cause or origin of the Mental Illness or substance abuse.

**Skilled Nursing Facility** - a Hospital or nursing facility that is licensed and operated as required by law.

**Spinal Treatment** - detection or correction (by manual or mechanical means) of subluxation(s) in the body to remove nerve interference or its effects. The interference must be the result of, or related to, distortion, misalignment or subluxation of, or in, the vertebral column.

**Substance Abuse Services** - Covered Health Services for the diagnosis and treatment of alcoholism and substance abuse disorders that are listed in the current Diagnostic and Statistical Manual of the American Psychiatric Association, unless those services are

*To continue reading, go to left column on next page.*

specifically excluded. The fact that a disorder is listed in the Diagnostic and Statistical Manual of the American Psychiatric Association does not mean that treatment of the disorder is a Covered Health Service.

**Unproven Services** - services that are not consistent with conclusions of prevailing medical research which demonstrate that the health service has a beneficial effect on health outcomes and that are not based on trials that meet either of the following designs.

- Well-conducted randomized controlled trials. (Two or more treatments are compared to each other, and the patient is not allowed to choose which treatment is received.)
- Well-conducted cohort studies. (Patients who receive study treatment are compared to a group of patients who receive standard therapy. The comparison group must be nearly identical to the study treatment group.)

Decisions about whether to cover new technologies, procedures and treatments will be consistent with conclusions of prevailing medical research, based on well-conducted randomized trials or cohort studies, as described.

If you have a life-threatening Sickness or condition (one that is likely to cause death within one year of the request for treatment) we and the Claims Administrator may, in our discretion, determine that an Unproven Service meets the definition of a Covered Health Service for that Sickness or condition. For this to take place, we and the Claims Administrator must determine that the procedure or treatment is promising, but unproven, and that the service uses a specific research protocol that meets standards equivalent to those defined by the National Institutes of Health.

**Urgent Care Center** - a facility, other than a Hospital, that provides Covered Health Services that are required to prevent serious

deterioration of your health, and that are required as a result of an unforeseen Sickness, Injury, or the onset of acute or severe symptoms.

# Vision Care Plan Rider

This Rider to the Summary Plan Description provides Benefits for vision care.

Benefits are provided for vision care at either a Spectera Network Provider or Spectera-approved laboratory.

When we use the words "we," "us," and "our" in this document, we are referring to the Plan Sponsor. When we use the words "you" and "your" we are referring to people who are Covered Persons as the term is defined in the Summary Plan Description Section 10: Glossary of Defined Terms.

**NOTE:** The Coordination of Benefits provision Section 7: Coordination of Benefits in the Summary Plan Description does not apply to vision care covered through this Rider. Vision care Benefits will not be coordinated with those of any other health coverage plan.

# Introduction

## Summary of Coverage

Spectera has an extensive nationwide network of doctors who provide quality eyecare and materials. This Plan is designed to provide for regular eye examinations and benefits toward vision care expenses including glasses or contact lenses.

## How the Plan Works

When you are ready to obtain vision care services, call your Spectera participating doctor. If you need to locate a Spectera participating doctor, call Spectera (800) 839-3242 or visit our Web site at [www.spectera.com](http://www.spectera.com).

When making an appointment, identify yourself as a Spectera member. The participating doctor will also need the covered member's Social Security number, and the covered member's group name. The participating doctor will contact Spectera to verify your eligibility and plan coverage. The participating doctor will also obtain authorization for services and materials. If you are not eligible, the Spectera doctor will notify you.

At your appointment, the participating doctor will provide an eye examination and determine if eyewear is necessary. If so, the participating doctor will coordinate the prescription with a Spectera-approved, contract laboratory. The participating doctor will itemize any non-covered charges and have you sign a form to document that you received services. Spectera will pay the participating doctor directly for covered services and materials.

*To continue reading, go to right column on this page.*

You are responsible for paying the doctor any applicable copayment(s), and any additional costs resulting from cosmetic options, or non-covered services and materials you have selected. Selecting a participating doctor from Spectera's network assures direct payment to the doctor and guarantees quality services and materials.

## Network Benefits

When using a Network Provider, enrolled participants and eligible dependents are eligible for the following.

**Examination:** 100% covered once every 12 months. A comprehensive vision examination is provided by a network optometrist or ophthalmologist after a \$10 copay.

**Eyewear:** After the material copay, lenses are 100% covered every 12 months. After the material copay, frames within the Spectera selection or allowance are 100% covered every 24 months. The material copay is \$10. This applies to the entire purchase, not the lens and frame individually.

## Services From a Non-Participating Doctor

More than 90% of Spectera's patients receive services from participating doctors, although you may select any licensed vision care provider for services. Your reimbursement schedule does not guarantee full payment, nor can Spectera guarantee patient satisfaction, when services are obtained from a non-participating provider.

*To continue reading, go to left column on next page.*

If you elect vision coverage and choose to use a non-Network Provider, you will be reimbursed **up to**:

**Exam and Materials:**           \$150.00

Follow these steps if you obtain services and/or materials from a non-participating provider:

- Pay the provider the full amount of the bill and request a copy of the bill that shows the amount of the eye examination, lens type, and frame.
- Send a copy of the itemized bill(s) to Spectera. The following information **must** also be included in your documentation.
- Member's name and mailing address;
- Member's Social Security number;
- Member's employer or group name; and
- Patient's name, relationship to member, and date of birth.

You may submit the information on a HCFA-1500 form or any generic insurance claim form that may be available from your non-participating provider upon request.

# Section 1: What's Covered -- Vision Care Benefits

## Standard Eye Examination and Glasses

Eye examination:	Once each 12 months*
Spectacle Lenses:	Once each 12 months*
Frame:	Once each 24 months*

*\*from your last date of service*

## Spectacle Lenses and Frames

Spectera covers a wide selection of frames, but not all frames will be covered in full. When a patient selects a frame that exceeds the plan's allowance, these additional charges are administered at controlled costs. Spectera also has controlled costs for cosmetic options, and these charges are typically less than usual and customary fees. Please consult your participating provider about lens options which may be cosmetic in nature, and may result in additional charges.

Elective or Medically Necessary contact lenses may be provided instead of glasses.

*To continue reading, go to right column on this page.*

## Lenses

If prescribed, a pair of single vision or standard multi-focal lenses.

## Frames

Your choice from a wide selection of fashionable frames will be covered. If you select a frame from outside the Spectera Selection, you will be given a \$50 wholesale frame allowance. At retail optical providers, you will be able to choose from a wide variety of Selection frames, or receive a discount off of already reduced prices.

## Contact Lenses

In lieu of lenses and a frame, you may select contact lenses. Spectera offers a wide variety of Selection contact lenses from many leading manufacturers (over 85% of participants choose from the Spectera Selection). Four boxes (12 pairs) of covered disposables are included when obtained from a network provider. A \$105 credit will be applied toward the evaluation, fitting, and purchase of Non-Selection contact lenses once every 12 months. Please note:: To receive the full \$105 credit, you must receive your exam, fitting and evaluation at the same provider.

## Patient Options

*Standard scratch coating is offered at no additional cost to the participant.* Should you choose patient options not covered by the program such as tints, progressive lenses, UV, and anti-reflective coating, you will be able to purchase these options at a significant discount. This additional benefit may save you 20% to 40% off of retail on cosmetic lens options and lens upgrades.

## **Statement of Employee Retirement Income Security Act of 1974 (ERISA) Rights**

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

#### **Receive Information About Your Plan and Benefits**

The Plan is maintained pursuant to one or more collective bargaining agreements. A copy of such agreements may be obtained by Participants and Beneficiaries upon written request of the Plan Administrator and is available for examination by Participants and Beneficiaries as required by Department of Labor Regulation Sections 2520.104b-1 and 2520.104b-30.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The Plan Administrator may make a reasonable charge for the copies.

*To continue reading, go to left column on next page.*

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of the summary annual report.

### **Continue Group Health Plan Coverage**

Continue health care coverage for yourself, spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review this Summary Plan Description and the documents governing the Plan on the rules governing your COBRA continuation coverage rights.

Reduction or elimination of exclusionary periods of coverage for preexisting conditions under your group health Plan, if you have creditable coverage from another group health Plan. You should be provided a certificate of creditable coverage, free of charge, from your group health Plan or health insurance issuer when you lose coverage under the Plan, when you become entitled to elect COBRA continuation coverage, when your COBRA continuation coverage ceases, if you request it before losing coverage, or if you request it up to 24 months after losing coverage. Without evidence of creditable coverage, you may be subject to a preexisting condition exclusion for 12 months (18 months for late enrollees) after your enrollment date in your coverage.

### **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the Employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you

from obtaining a welfare benefit or exercising your rights under ERISA.

### **Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for Benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

## ***Prescription Drug Program (Active Employees)***

The Options PPO includes a separate Pharmacy Benefit Program that is administered by Express Scripts rather than UnitedHealthcare

There are two ways you can purchase prescription drugs: from a participating retail pharmacy or by using mail order. This Prescription Program is briefly described below. Details of the program are available directly from Express Scripts.

### **YOUR SHARE OF THE COST (CO-PAYMENTS)**

Both the mail and the retail programs have "two-tier" co-payment structures for active employees enrolled in the Options PPO Plan.

When you purchase a prescription, your cost will be the required co-payment (or you can pay the actual cost of the drug, if it is less than the applicable co-payment amount.) The co-payment depends on whether it is from retail or mail order. The two categories, or tiers, are:

**GENERIC:** Drugs in which the patent has expired, allowing other manufacturers to produce and distribute the product under a generic name. Generics are essentially a chemical copy of their brand-name equivalents. The color or shape may be different, but the active ingredients must be the same for both.

**PREFERRED BRAND NAME:** A drug with a trade name under which the product advertised and sold, and is protected by patents so that it can only be produced by one manufacturer for 7 years.

## PURCHASING PRESCRIPTIONS

### AT A PARTICIPATING RETAIL PHARMACY:

When you purchase a prescription under this plan, you simply present your identification card (provided to you by Express Scripts). You will pay the amount needed to satisfy any unmet annual deductible plus the required co-payment amount. No claim forms are required after co-payment is made.

### AT A RETAIL PHARMACY THAT IS NOT PARTICIPATING WITH EXPRESS SCRIPTS

You can also purchase a drug at a non-participating pharmacy. You should pay for the prescription, then submit a claim for reimbursement from Express Scripts.

However, if you purchase from a non-participating pharmacy, your reimbursement will be based on the Express Scripts in-network contracted rate for that drug. You will have to pay the difference between the

price charged by the non-network pharmacy and the Express Scripts contracted rate in addition to the applicable deductible and co-payment amounts.

For non-network retail purchases, complete an Express Scripts claim form and submit your claim and receipts to:

Express Scripts-WHC  
P.O. Box 390873  
Bloomington, MN 55439

Claim forms for out-of-network purchases can be requested from Express Scripts website, [www.express-scripts.com](http://www.express-scripts.com), or by calling customer service at 1-800-796-7518.

## MAIL ORDER DRUG PROGRAM

Another option for obtaining prescriptions is the Mail Order Drug Program, which allows you to purchase up to a 90-day supply of most prescription drugs for a single co-payment. The mail order pharmacy program is also administered by Express Scripts.

The Mail Order program works best for drugs that you take on a long-term basis ("maintenance drugs.") Most prescribed drugs and medicines are available to you under the Mail Order Drug Program (generic drugs are dispensed unless your physician directs otherwise). Certain drugs are not available by mail order. Contact Express Scripts Customer Service for more information.
